We had such a wonderful time in Collioure - it is most enchanting. You have the perfect accomodation in which to enjoy it. Close to everything - beaches, shops, wineries, and more restaurants than one could possible try, and all within a short walk. You are blessed to have such an amazing place - loved the pool & the tennis court.

History history everywhere, but not enough time to see it all. 😊 We will most certainly be back to your lovely place. Can't wait to tell my friends about it.

Wanted to leave something behind, so bought a casserole, although we NEVER wanted to cook!

ps. favorite restaurants:
Le blea Marine - Port Angles
Le Poisson Rouge - Port Vendres
Resto L'Arbre de Voyageur
in Collioure - something different.
