

July 31st - August 7th

Enjoyed a wonderful stay in Laroque!
We were returning to the area and really enjoyed ourselves! The house has plenty of space which allowed us to entertain guests throughout the week. The garden is huge and the pool is ideal for fun or a swim.

1) Argeles beach was very nice but we preferred St Cyprien which we felt was worth travelling further as it wasn't as busy and more idyllic.

2) La Cueva is an exceptional restaurant! The food is amazing and the staff were excellent!

3) Loved walking into the village early to collect freshly baked bread and croissants for breakfast!

- 4) The Castle here in Laroque offers fantastic views of the area!
- 5) Dinner at the Merina at Argeles was fantastic, great sea food!

Overall a great holiday to switch off and relax or to explore the hills and little local villages.

P.S. On the Saturday that we arrived there was a huge party / carnival up at Hotel Catalan. It was great fun!
